COMPANY OVERVIEW

Saluroute is a newly established Charlotte, North Carolina business providing **non-emergency medical transportation (NEMT)** for ambulatory patients and **medical courier services** for laboratories, pharmacies, and clinics. Led by a team with a background in the medical field, Saluroute is built to help patients reach their care on time and to move medical items with care and accountability, with a dedicated focus on serving veterans.

We are launching in Mecklenburg County and surrounding communities, with planned expansion across North Carolina.

CORE COMPETENCIES

NEMT (Ambulatory)

- Scheduled rides to medical appointments
- Dialysis, therapy & recurring visits
- Hospital discharge & clinic-to-home trips
- VA facility & community provider trips
- Door-to-door assistance for ambulatory riders

Medical Courier

- Lab specimen pickup & delivery
- Prescription delivery for pharmacies
- Medical supplies & equipment transport
- Scheduled routes & same-day runs
- HIPAA-conscious chain of custody

Scope: non-emergency, ambulatory transportation only. No emergency or stretcher services.

DIFFERENTIATORS: OUR COMMITMENTS

- **Reliability:** dependable service built around patient and provider schedules.
- **On-time pickups:** we plan routes and timing so riders and shipments arrive when expected.
- **Real-time communication:** proactive updates to riders, facilities, and dispatchers.
- **Trained team:** HIPAA Compliance, OSHA for Healthcare with Bloodborne Pathogens, and COVID-19 ETS training, with privacy-minded handling of patient information and medical items.
- **Veteran-focused service:** respectful, attentive care for those who served.
- **Local Charlotte knowledge:** familiarity with area roads, hospitals, clinics, and VA sites.
